Sir:

Permission is hereby requested to add the attached Figure 9 to the above-identified application. It is believed that Figure 9 was included in the application, as originally filed. However, it has come to the undersigned's attention that Figure 9 may be missing from the application.

Fig. 9 does not add any new matter as it comprises a flow chart illustrating exemplary steps for generating a wholesale bill, as explicitly described on pages 5, and 16-17 of the specification, as originally filed. Should the Examiner find that Figure 9 does exist in the application, the Examiner is requested to disregard this additional Figure 9.

Respectfully Submitted,
